Rutland High School

Class of 1997

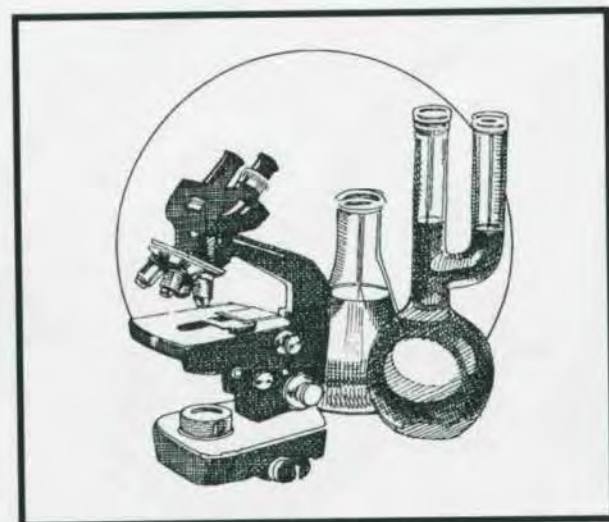

Dedication

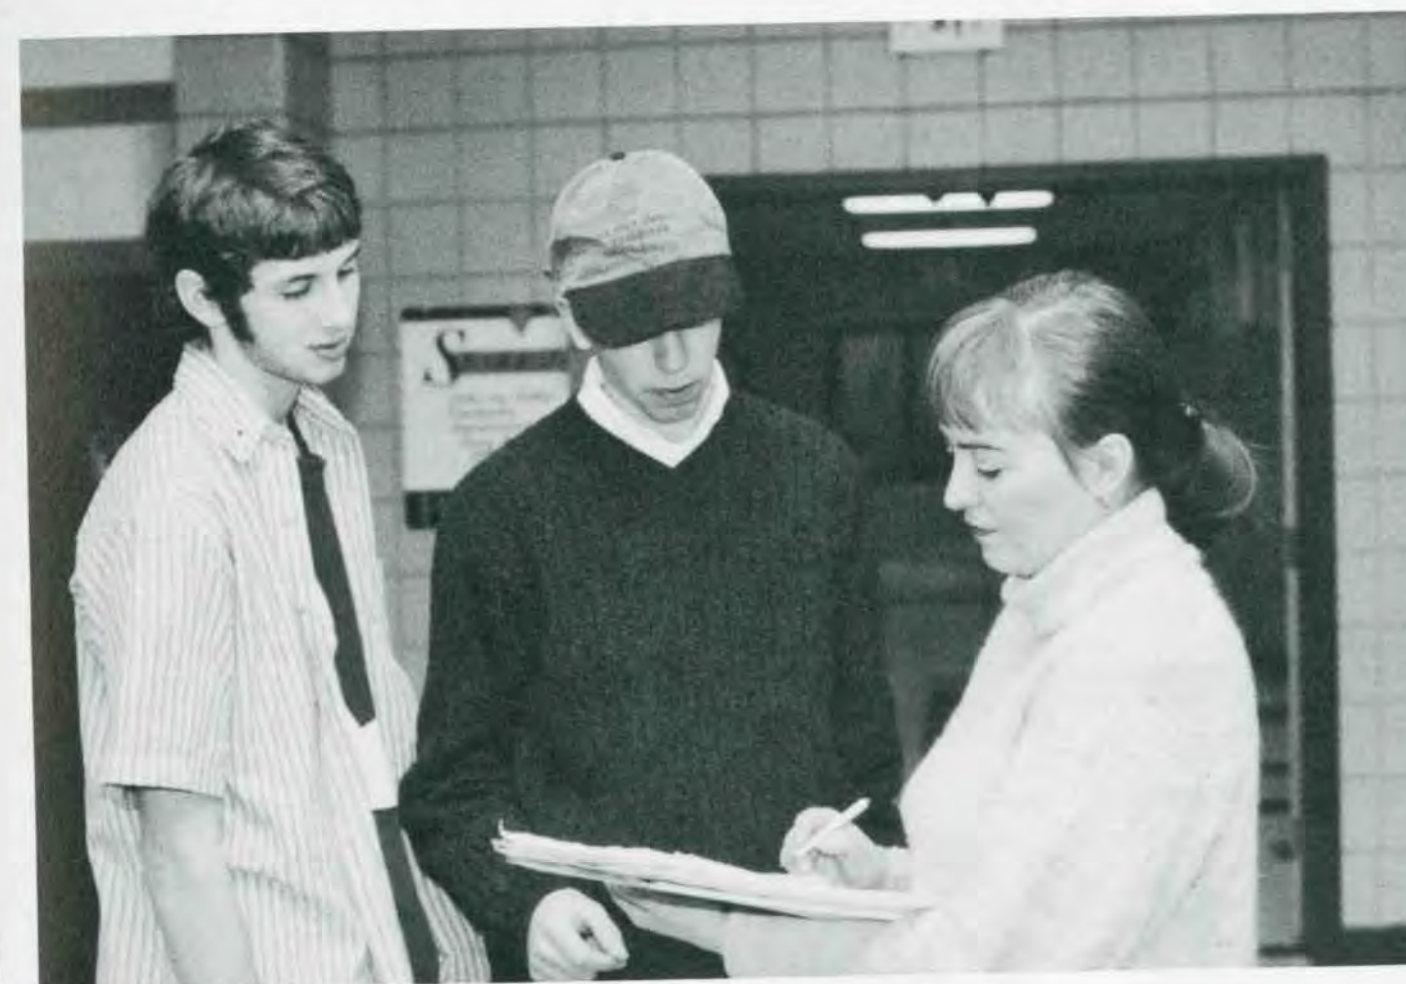

Deborah Rodolfy

Mrs. Rodolfy with her daughter Deanna

Mrs. Rodolfy has been a dedicated advisor to our class from the beginning of our high school adventure. She makes learning fun for all of her students in chemistry. Who can forget "Days of our Atoms", "Kurzer Bing", and her infamous nickname "the queen of partial credit"? Perhaps the thing that impressed her students the most is the fact that she dated a Baldwin (Alec, for those of you who are wondering)! She has been particularly instrumental in helping our class through fund raisers, the prom, and now our upcoming graduation. She never complains and is very patient. We are grateful for all of her support. The Class of 1997 dedicates this yearbook to our chemistry teacher, class advisor, and friend Deborah Rodolfy. Thanks!

In Memory Of

Erica Kauppila

This page is not for mourning but for memories and time many of us have shared with Erica. She was a very special individual that lit up the room even of the darkest days. She could make you laugh when you were sad and keep you company when you were lonely. She was the most carefree and best friend anyone could ask for.

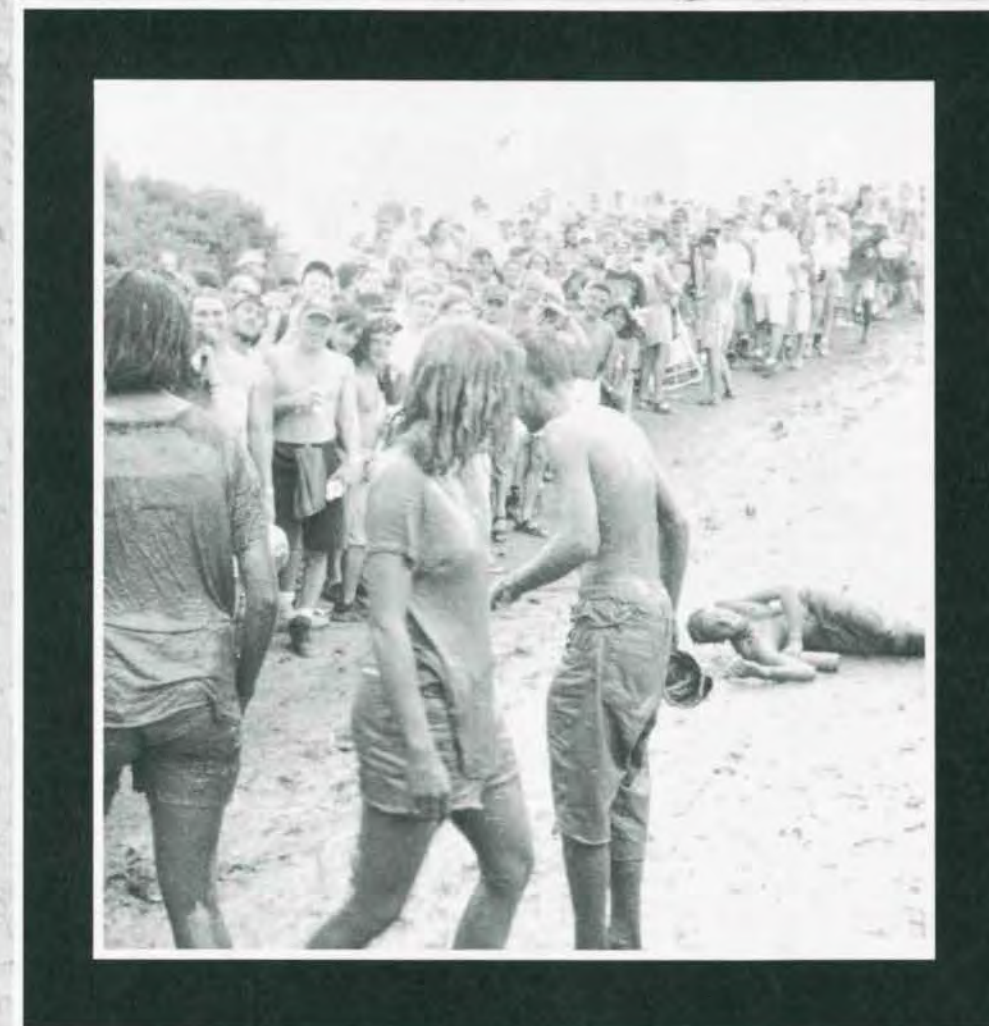

She loved to watch and play hockey. She was known as the "Z" factor on RAHA's girls B team. She played every game with enthusiasm and heart, and when she scored her first goal her face was the happiest seen in the world. Let's all remember the great times and wonderful memories that we had with Erica and keep her in our hearts forever.

I feel that we really came together as a team and were able to depend on one another. It was great to go out on the field and give 100% and know that everyone else was ready to work just as hard. - Senior Joben Fineberg

This year we had an amazing group of guys who would have been able to tackle any problem we faced. How we could become such a tight knit group is still beyond me, but we had an amazing year and alot of fun. Thanks everyone. - Senior Jon Lind

The main reason that we had a championship team this year was our Shower Power.

The main reason that the team was successful this year was team work and intensity. Without these we could have never been as victorious as we were. Thanks everyone and good luck next year!!! - Senior Captain Jake Conway

Powered by a core group of players bringing back ironman football, this Raider team reigned over all four divisions. With the ability to attack from both land and air, this years football squad met the expectations set forth at the beginning of the season. Ending with a record of 10-1 and a championship trophy in their hands, Rutland has now achieved bragging rights, at least until next season.

Boys Soccer

The Boys Varsity soccer team finished their season with a 4-1 record. Although the season was ruff, the guys had fun. To finish the season the team traveled to Burlington to challenge the #1 team in first round playoffs. The game ended in sudden death with Burlington on top 1-0. Congratulations and GOOD LUCK NEXT YEAR!

Winning the Vermont Division I State Championship three years running this year's Raiders trudged through a more difficult season. Dedicated hearts and hard work helped lead these stickers to a chance at a fourth title. With this "one more makes four" attitude in place, there was much stress put on these young women. Beginning the game with hopeful thoughts the Rutland field hockey team played an extremely intense State game, but came out with a loss to the Middlebury Tigers, 1-0. Senior capt. Andrea Layden said "We dominated the entire game, but we just didn't put it in the net, and they did."

Both the girl's and boy's cross country teams have a lot to be proud of! With the largest teams in school's history, the 1996 teams ran their way to great things. Coach Greg McClallen cited the numbers of new runners, the leadership of the returning members, and a sense of team unity as the reason for the success of the teams.

The boy's team showed remarkable improvement even with the loss of their top runner. Team spirit and fierce determination enabled the boy's to finish third in the Division I state meet and to qualify for the New England Meet of Champions. Rutland's top runner, Sean Gallagher, finished an amazing fifth place among the top runners in New England.

The girl's team welcomed six new members, three of whom qualified to run in the state meet. Led by senior co-captains Jessie Arthur and Kristen Carlson the girl's team won the MVL Invitational for the third year in a row, bringing home yet another trophy. "We had a sense of family," said co-captain Jessie Arthur. "It helped us to set goals and work to achieve them."

Both teams are young and will be back strong in 1997!

The Rutland Boys Varsity Basketball team finished their season at 12-9. The boys opened the season with a strong start with well deserved wins against MSJ, MAU and Arlington. They proved themselves to be the finest team in the State of Vermont by defeating southern powerhouse, Brattleboro with a last moment surge by the team. The guys demonstrated incredible determination and hard work all season.

Sidelines

Rutland Raider "REGULATE" BY WARREN G

This year Rutland Hockey team did what they wanted to. They exceeded in their goal scoring and defending. The Raiders had the strongest defense in the division and some of the best goal tending as well. They won their fair share of games and did their share of goal scoring. They also had plenty of help from many of the rookies on the team.

The scoring wasn't just by a few people this season but by everyone. This made the team more of a team than it has in the past few years. They returned strong into the playoffs by killing Brattleboro 6-1 in the quarter-finals, and barely losing to Middlebury 3-1 in the semi-finals. But, although they didn't get to the state game they really left their mark at Rutland.

The Alpine Ski Team had yet another successful season. The girls won their fifth State Championship title and the boys regained their title after coming so close last year. All the hard work of training every day after school and many weekends certainly paid off. The team will lose Melissa Henrichon, Shallon Fingon, and Jeremy Handly to college this year, but many of the younger members are ready to try to fill their shoes.

Coach McClallen was honored for his years of dedication to alpine skiing by being named National Ski Coach of The Year.

Nordic skiing may not exactly be one of the sports you think about to go and watch, but within the last few years the Rutland Nordic Ski team has improved and become a team with hopes of contention. The boys were the overall runners-up led by state champion Sean Gallagher and should definitely be at the top of your viewing list next year. Not losing one racer to graduation the ski team has excellent chances for a title run next year.

Boys & Girls Track

Runnin' Down A Dream - Tom Petty

Rutland High School Track has certainly improved and grown within the past four years. The girls team continued their success and took 2nd place in the state meet. The boys team strived to improve and took 4th place in the state meet. With Jen Everett's hard work and determination she continued her streak of excellence and took 1st place in both the 1500 and 3000 for the 3rd consecutive year in the state meet. Kate Goodchild broke the Rutland High School long jump record with a jump of 17'5", taking 1st place in the state meet. Bethany Pratico broke the Rutland High School high jump record and the Vermont state record with jump of 5'8", taking 1st place in the state. Pratico took 1st place in the Loucke's Games held in New York which is the biggest high school meet in the country. Rutland High School track will continue their success in years to come. GOOD LUCK!!

The National Honor Society chapter of Rutland High School is an involved organization that consists of students who have maintained at least a 3.3 grade point average through their junior year. There have been numerous activities sponsored by the group this school year, especially because of the '96 election. All six candidates for the Vermont State Senate from Rutland County were present for a debate in October centering on the topic of education. The event was a crucial part in a series of debates that decided the closest election in state history. In the winter, NHS moved from house to house singing Christmas carols and collecting food to be donated to the Salvation Army. The group looks forward to continuing its involvement in the community such as a charity walk for cystic fibrosis and inducting new members for the 1998 school year.

- It has been an honor and a privilege to be a member of the National Honor Society.

- Christina Mattsson

- It is nice to have an organization that both recognizes academic ability and gives back to the community.

"Not just politics as usual"

- Jared Olanoff

"There were two great parts about boys state: #1 - being a state official I could skip anything I wanted. #2 - Girls State."

- Ethan Barron

Boy's State is a week long political program sponsored by the American Legion. At Norwich University we learned about the state and local political processes. This years participants were a very active group. Some positions held by our students included Attorney General, Auditor of Accounts, Chief Justice of Supreme Court, News Editor, and a number of Senate committee appointments. This was an exciting hands on experience. Boy's State had an immediate impact on each and every person involved.

Each year, the American Legion chooses six or seven young ladies whom they feel to be model citizens to attend their week long Girls State program. This year the girls went to Bolton Valley Resort and spent the week attending political seminars and experiencing government hands on. Some of the highlights of their experience were scholar's bowl, Boys State day, the inauguration with governor Howard Dean, and cool counselors like Nance and Pat.

"Over all, I had a great time, although I do think security at Bolton Valley could be tightened" -Jenn Gee

"It was fun - I met a lot of really awesome people, especially Nance, my counselor" -Susie Mello

"Girls State is the only place that I could run for every office and lose every time. But at the end I was appointed (Sec. to Governor) by sure pity alone." -Lindsey A. Haven.

The 1996-97 student council at RHS has been working hard all year to improve the school and the community. We have had a semi-formal dance, worked with recycling, and provided a spirit week event. We have also volunteered to help the united way with a clothing drive and helped Mike's Country Store with the sale of christmas trees which were sold to raise money for charity. Our council has also been invited to a student council forum in New Jersey at the end of the year. Through hard work and dedication we have made this years student council one of the most successful in community projects.

The Key Club

Key Club is a community service organization that has a world wide membership of 180,000 high school students. Key Club, which stands for Kiwanis Educated Youth, devotes all its time to ensuring the well being of the community around us. We do this by doing several different community projects: book drives, food drives, and bicycle safety days. This year the R.H.S. Key Club has been involved in all the projects listed above and more projects that help the Rutland area. Also, this year the club reached an all time high in membership with forty outstanding members.

To Susie,

When we look back at what you've experienced and learned growing up we're proud of the challenges you've met and the determination with which you work towards the goals you set. We're proud of being part of developing the character and standards by which you make decisions and live your life. Those qualities will serve you well as you begin the next years of transition and for the rest of your life. We love you very much and will always be here for you.

Medical Research Proves The Scientific Basis For Chiropractic Is Valid

- More effective than traditional hospital care for both low back pain and whiplash.
- The most effective treatment for low back pain and leg pain.
- The two most common causes of low back pain respond best to chiropractic care.
- Outperforms other care for chronic low back pain.
- Safer and less dangerous than medical treatments for similar conditions.
- Effective with disc herniations.
- Most headaches and back pains respond well to chiropractic care.
- Physical therapy alone is not as effective as chiropractic care.
- Chiropractic care costs less than medical care.
- Effective for low back pain caused by pregnancy.
- The AMA agrees that chiropractic care can do more than relieve pain.
- Returned 202/282 totally disabled patients to full work duties pain free.
